Table of Content

i List of Figures

ii List of Tables

1 Introduction & Motivation ……. 1

Project overview

Motivation of project

Problem definition

Outline of the report

2 Literature Survey……. 4

Study of existing system

Proposed system

Face Recognition Process

3 Project Analysis ……. 14

Feasibility analysis

Requirement analysis

Hardware and Software analysis

4 Hardware and Software Requirements……... 19

Hardware

Software

UML Diagrams

5 Implementation Details ……..…… 27

Algorithm

Flowcharts

Output screens

6 Testing……. 33

Unit Testing

Integration Testing

Functional Testing

Performance Testing

Load/ Stress Testing

7 Project planning and scheduling ……. 37

Project time line chart

Task distribution

8 Conclusion and Future Work …….... 41

Appendix
